Lumen Desk Kit / Care

Fictional product. Original text for a reproducible exercise.

Wipe the stand with a soft, dry cloth.

Do not use bleach or immerse the stand in water.

Remove both trays before moving the stand.

Replacement trays are sold separately.

Capacity matters

Each tray: 2 kg maximum. The two trays are separate.

Do not translate this as 2 kg for the entire kit.

Glossary for this exercise:

tray = removable shallow container; stand = the supporting frame
